

Other Parts on our Linecard:

- Diodes from **Voltage Multipliers Inc.**
- 1kV to 16kV
- Leaded and Surface Mount Packages
- If no stock, lead time is 6 weeks

High Voltage Disc Leaded Capacitors

Radial Leaded High Voltage Disc Ceramic Capacitors in a variety of capacity and voltage values and sizes

- 3,000VDC to 20,000VDC
- NPO, X5R, X7R, and X5U Dielectrics
- Radial and Axial Leaded
- ROHS Option
- Mil Screened IAW MIL-PRF-49467 Option
- If no stock, **lead time is 10-12 weeks**

High Voltage Multilayer Leaded Capacitors

Radial Leaded High Voltage Multilayer Ceramic Capacitors (MLCC) in a variety of capacity and voltage values and sizes

- 500VDC to 10,000VDC
- X7R and NPO
- ROHS Option
- Mil Screened IAW MIL-PRF-49467 Option
- If no stock, **lead time is 10-12 weeks**

High Voltage Surface Mount Capacitors

High Voltage Multilayer Ceramic Surface Mount Capacitors with surface mount tabs in a variety of capacity and voltage values and sizes

- 500VDC to 10,000VDC
- X7R and NPO
- ROHS Option
- Mil Screened IAW MIL-PRF-49467 Option
- If no stock, **lead time is 10-12 weeks**

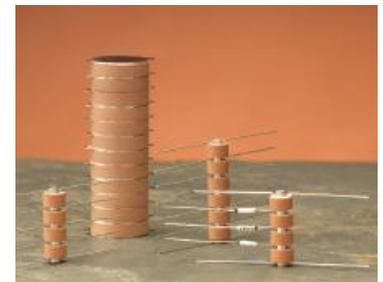

HV Multiplier Stacks

Stacks ready for diode attachment

Leaded HV Multiplier Stacks

Any choice of diodes/lead configurations
